Classroom Behaviour: A Practical Guide to Effective ...

Reinforce students' good behaviour far more frequently than you provide negative feedback. Positive reinforcement can include verbal praise for a particular action, a smile, or simple eye contact. Set an example: If you raise your voice or lose your cool, it is easy for students to lose their respect for you and/or emulate your behaviour. Be firm yet gentle in your tone of voice and in your choice of words.

School-Based Observation: A Practical Guide to Assessing Student Behavior Widely used to assess social-emotional and behavioral referral concerns in grades PreK-12, systematic direct observation is an essential skill for school psychologists and other educators.

School-Based Observation: A Practical Guide to Assessing ...

CLASSROOM BEHAVIOURAL STRATEGIES AND INTERVENTIONS This section will focus on classroom strategies and interventions that address the discipline/behavioural challenges of students who are alcohol-affected. It is important to remember that these students have permanent neurological damage that will make changing behaviour difficult.

5. CLASSROOM BEHAVIOURAL STRATEGIES AND INTERVENTIONS

I realized from an early stage as an educator that there are influences to student's behavior that can be identified before situation gets out of control and that StudentShare Our website is a unique platform where students can share their papers in a matter of giving an example of the work to be done.
