Community And Identity In Ancient

Thoroughly dealing with community and identity in ancient Egypt would have required Vischak to take a larger view of Egypt and the Old Kingdom. Even for a discussion focused on community and identity as expressed at the First Cataract, the data the author presents are too limited.

Violence and community were intimately linked in the ancient world. While various aspects of violence have been long studied on their own (warfare, revolution, murder, theft, piracy), there has been little effort so far to study violence as a unified field and explore its role in community formation. This volume aims to construct such an agenda by exploring the historiography of the study of ...
