### **Comparative Public Law**

Comparative law is the study of differences and similarities between the law of different countries. More specifically, it involves the study of the different legal "systems" in existence in the world, including the common law, the civil law, socialist law, Canon law, Jewish Law, Islamic law, Hindu law, and Chinese law. It includes the description and analysis of foreign legal systems, even where no explicit comparison is undertaken. The importance of comparative law has increased ...
