### **Constructing the Self, Constructing America: A Cultural ...**

Psychotherapist and historian Philip Cushman views person and culture abiding within one another in gradual, constant flux. In this “strange, unorthodox” and remarkable book, he relates the evolution of psychotherapy from Freud to the present in the context of social change from Victorian to post-modern culture. By the same token he portrays psychotherapy as simultaneously ...

### **Constructing the Self, Constructing America (excerpt)**

In *Constructing the Self, Constructing America*, he places psychotherapy in its social and historical context, and examines its origins in the nineteenth century to its preeminence in American life today, arguing that its establishment as a social institution may in fact reproduce some of the very ills that it is meant to heal.

### **[PDF] Download Constructing The Self Constructing America ...**

This is an ambitious book. It seeks to describe the manner in which the concept of "self" has been defined and experienced in various historical eras in America, to explain how psychotherapy contributed to this concept, and finally to criticize psychotherapy's contributions and argue that it needs to change direction.

In other words, the self emerges out of a moral dialogue that sets the stage for all other political struggles. Once the self is set, the rest of the struggles begin to appear in the clearing: they materialize." — Philip Cushman, *Constructing The Self, Constructing America: A Cultural History Of Psychotherapy*
