2015 Law Practice Management Syllabus (00126081.DOCX;1)

International custom establishes unwritten rules that are binding on all states, based on general practice. Their binding power is based on implied consent, evidenced by (a.) virtually uniform state practice over time and (b.) a belief that such practice is a legal obligation (opinio juris). Thus, for rules to become part of international customary law, states must follow them, not out of convenience or habit, but because they believe they are legally obligated to do so.
