Owner's manual - Maax Spa

This manual has been developed to provide you with the information that you need regarding the preparation, installation, care and operation of your new spa. Please take the time to carefully read the entire manual to ensure that your spa preparations are carried out correctly.

Spas produce considerable amounts of moisture, which could damage walls, ceilings and fittings over time. Also keep in mind that your spa will need to be drained periodically so plan your location accordingly. ACCESS IN & OUT OF THE SPA Ensure that you have considered access in and out of the spa. As most spas are approx 900mm high, getting in ...
