industry.

McQuay International | McQuay Air-conditioning Limited

The AGZ series of air-cooled scroll chillers continues McQuay's legacy of high quality, high efficiency, latest technology and quiet operation. These features make the AGZ family the best overall value in air-cooled packaged chillers available today.

2004 McQuay Air Cooled Chiller 130 Ton Model AGZ-130BS

Chillers come in 2 main varieties: air-cooled and water-cooled. Air cooled chillers reject the heat absorbed from the building or process directly to the outdoor air using refrigerant to air coils and fans that blow outdoor air directly over those coils. Water cooled chillers reject the absorbed heat to an additional fluid loop that can then ...

Smart Family of Cooling Products' Industrial Air Cooled Scroll Chillers are ideal for rigorous chiller applications. Our SmartFreeze scroll chillers are available from 10 tons up to 60 tons capacity and truly provides efficiency and as well as performance. Each of these units features a SINGLE compressor on each refrigeration circuit.

Industrial Scroll Chillers | Smart Family of Cooling Equipment

The modular air cooled chillers are equipped with intelligently designed safety control to ensure continuous safe operation. High and low pressure switch is provided in cooling models to prevent the compressor damage resulting from both abnormally high discharge head pressure or low pressure due to insufficient gas.
