Neverending Wars The International Community

"In Neverending Wars, Ann Hironaka sets the record straight by pointing at the responsibility of the international community. Not only have superpowers, former colonial metropolises, and regional powers often directly interfered in other countries through outright intervention—they have also done so indirectly by fostering international norms to which all states are obliged to conform.

Neverending Wars: The International Community, Weak States ...

It can't be ethnic hatreds and injustices—these have been around for centuries. In Neverending Wars, Ann Hironaka points to the crucial role of the international community in propping up many new and weak states that resulted from the decolonization movement after World War II. These impoverished states are prone to conflicts and lack the necessary resources to resolve them decisively.

Neverending Wars: The International Community, Weak States, and the Perpetuation of Civil War. Caty Clément (reviewer) It is about time someone reminded us that civil wars are not an entirely internal affair, that the international environment in which they occur matters too. Recent students of internal conflicts tend to focus overwhelmingly on the domestic aspects of war, conveniently shifting the burden from "us" (the West and the international community) to "them" (the conflict-ridden ...

HIRONAKA, Ann Neverending Wars The International Community, Weak States, and the Perpetuation of Civil War

Neverending Wars - Walter de Gruyter

Professor Hironaka also seeks to address the issue of war from a macro-historical sociological perspective. Her first book, Neverending Wars (Harvard University Press, 2005) examined the intractable civil wars of the contemporary era and the role of the international community in perpetuating these conflicts.

Biography | Ann M. Hironaka

Pilsoņu karš ir karš starp organizētām grupām valsts iekšienē vai starp divām tautām, kas ietilpst senāk apvienotā valstī.. Vienas puses mērķis var būt atsevišķa reģiona iegūšana savā kontrolē, lai iegūtu neatkarību no valsts, panāktu valsts politiskās iekārtas nomaiņu. Pilsoņu karā ir vērojama augsta karadarbības intensitāte, kurā nereti ir iesaistīti arī ...
