Richard Sharpe, from private in the British Army up through the ranks, brings history alive without effort. All of the books in the SHARPE series teach without the reader realizing he has been taught. Reminds me of the John Jakes CENTENNIAL series back in the 70's. I am just glad I didn't have to wait for the next in the series to be printed.

Sharpe's Havoc is, like all the others I've read in the series, a page turner. There is constant action, constant friction between Sharpe and some of his men, as well as with incompetent superiors. There always seems to be a woman involved to a greater or lesser extent. There's always a bad guy that Sharpe
