Early life and career The Boss was born in 1922 as the daughter of one of the original and higher-ranking members of the Wisemen's Committee, and later grew up in the care of the Philosophers. She learned from her father the most forbidden secrets of the Philosophers, and as a consequence, the shadowy organization arranged for his death.

The Boss | Metal Gear Wiki | Fandom

The Boss is the main antagonist of Just Shapes & Beats. It is a pink horned entity (or to a softer extent, a pink cyclops-cat) that causes mayhem throughout the land of Paradise by corrupting the so-called "Tree of Life" and splitting it into three different parts throughout the game's world.
