What is SOTP Valuation (Sum of Parts)? Sum of the parts (SOTP) is the method of valuation of the firm where each of the subsidiaries of the company or its business segment are valued separately and then all of them added together to arrive at the total value of firm. Most large companies operate in more than one business. Valuing a diversified company requires separate valuations for each of ...

A Chartered Life Underwriter ® (CLU ®) is a financial professional with extensive knowledge of life insurance. In most states, a CLU ® designation exempts you from pre-licensing education and underwriting certification requirements. This means a CLU ® has obtained a level of life insurance expertise that exceeds basic life insurance underwriting requirements.
