Work The System The Simple

Work the System: The Simple Mechanics of Making More and Working Less will show the business owner how to achieve a positive macro result by looking at business and work on a micro level; by analyzing and refining the separate internal sub-systems, the systems that, added together, comprise the whole primary system business entity. Readers will learn how to "tweak" this "system of systems" in order to maximize profits, create client loyalty, and develop autonomous employees.
